Minimizer Bandit Big Rig Series heads to Madison July 28th

(Blooming Prairie, MN July 2017) – After a hugely successful midwestern debut, the [Minimizer Bandit Big Rig Series](#) travels to [Madison International Speedway](#), July 28th.

“We had a great race in Cedar Rapids earlier this month, and it will be exciting to meet our fans in Madison for the first time,” Bandit Director of Operations Brian Madsen said. “We’ve been racing primarily in the southeastern United States, so a few races in the Midwest will help introduce us to a new group of fans.”

Emotions are running high for the Wisconsin race, and yet another sellout crowd is expected.

“They’ve been sold out of food and drinks everywhere we’ve been,” [team owner and driver Craig Kruckeberg](#) said. “The response has been fantastic.”

Drivers race for a \$50,000 purse at every Bandit event, with the winner of the feature race taking home a \$10,000 check.

To avoid the hassle of long lines, fans can buy tickets in advance by visiting <https://misracing.com/tickets/>.

“Our series is headquartered in the upper Midwest, and I know our fans will be rocking the house in Madison, July 28th,” Madsen said.

The last time the Bandits hit the track, [Tommy Boileau](#) picked up his first win of the season.

“Those Iowa fans got a chance to see what this series is all about,” Madsen said. “Action from start to finish.”

About Minimizer

Leveraging almost 40 years of manufacturing expertise at its state-of-the-art facility in Blooming Prairie, Minnesota, Minimizer is not only the leader in poly semi truck fenders - *we invented the category*. Minimizer poly fenders and integrated bracket kits are nearly indestructible and are guaranteed for life.

Our research and development team constantly “tests and tortures” each of our products to make sure what goes *on, in or is used to fix the truck* meets the rigors of our tough industry.

We also manufacture industry-leading light kits, mud flaps, tool boxes, tire masking kits, work benches and other accessories. Our most recent innovations include the world’s ONLY custom molded floor mats for semi trucks, as well as the revolutionary “whole body health” Minimizer Truck Seat System.

Minimizer has been family owned and operated for three generations. The company manufactures its products in the USA and makes everything tough enough to please tough people in a tough industry.

For more information or to [contact a Minimizer distributor](#), call us at (800) 248-3855 or email us at info@minimizer.com.
