Boileau wins third straight \$10,000 check as Bandits rock Lebanon

(Lebanon, MO September 2017) - Fans at [I-44 Speedway](#) in Missouri were treated to an incredible, action-packed race as the winning truck started in 12th place and passed 11 fellow Bandits to steal the checkered flag.

[Tommy Boileau \(#16\)](#) won his third straight \$10,000 check, and in the process, catapulted from third to second in the [series standings](#).

“Our first scheduled event at I-44 Speedway was rained out, but we got a good look at the track and I knew I wanted to come race here, so I’m glad it worked out,” Boileau said.

“The fans were awesome, and they were treated to one heck of a race,” Bandit Director of Operations [Brian Madsen](#) said. “The wait was definitely worth it.”

Right now, the red-hot Bandit is Boileau, who’s looked unbeatable at times over the past three races, all wins for Cszasz Motorsports.

“I’m just going to keep chugging along and see if I can steal another win or four!” Boileau said.

Next up for the Bandits is a return to [Highland Rim Speedway](#), where hometown hero [Mike Morgan](#) captured the checkered flag back on July 1st. The next race is in Tennessee on September 23rd.

About Bandit Big Rig Series

The [Minimizer Bandit Big Rig Series](#) returns big rig tractor truck racing to the short track in the United States. The series was designed to be affordable and accessible for anyone wishing to put together a race team.

About Minimizer

Leveraging almost 40 years of manufacturing expertise at its state-of-the-art facility in Blooming Prairie, Minnesota, Minimizer is not only the leader in poly semi truck fenders - *we invented the category*. Minimizer poly fenders and integrated bracket kits are nearly indestructible and are guaranteed for life.

Our research and development team constantly “tests and tortures” each of our products to make sure what goes *on, in or is used to fix the truck* meets the rigors of our tough industry.

We also manufacture industry-leading light kits, mud flaps, tool boxes, tire masking kits, work benches and other accessories. Our most recent innovations include the world’s ONLY custom molded floor mats for semi trucks, as well as the revolutionary “whole body health” Minimizer Truck Seat System.

Minimizer has been family owned and operated for three generations. The company manufactures its products in the USA and makes everything tough enough to please tough people in a tough industry.
